W.P. No.25551 OF 1995

-

ORDER:

Petitioner is the owner of the premises bearing No.1-4-131, Metpally village and Mandal, Karimnagar District. According to the petitioner, since a portion of the said premises was damaged due to the heavy rains in the year 1995, he undertook repairs of relaying of the supporting rafters and tiles and when the work is in progress, the third respondent issued the impugned notice. This Court in W.P.M.P.No.31487 of 1995 suspended the impugned notice by order dated 14.11.1995.

Now, the learned counsel for the petitioner submits that in view of the interim suspension of the impugned notice, the petitioner completed the re-construction work and no further orders are necessary in the writ petition.

None appears for the respondents.

In the counter affidavit filed by the third respondent it is stated that when the third respondent inspected the premises of the petitioner on 31.10.1995 he found that the petitioner had removed the roof of the temporary shed adjoining the Mandal Parishad Development Office wall and was preparing for laying of pacca roof. It is alleged that the petitioner had not obtained any permission for such construction.

Since it is represented by the learned counsel for the petitioner that the petitioner has already completed the re-construction work, if the said construction is

not in accordance with the sanctioned plan the respondents are at liberty to take appropriate action after giving due opportunity to the petitioner.

With the above observation, the writ petition is disposed of. No costs.
